

ANNOUNCEMENT

National Institute of Development Administration

Temporary Suspension of the Operational Services

Coronavirus Disease 2019 (COVID-19) Epidemic Outbreak has now been established that the number of infected persons is rapidly increasing and longer lasting. Bangkok Metropolitan Administration (BMA) hereby announces BMA's announcement dated March 21, 2020 regarding to temporary suspension of the places' operational services including all levels of educational institutions from March 22, 2020 to April 12, 2020.

Under the authority Article 40 based on National Institute of Development Administration Act. A.D. 2019 and BMA's announcement dated March 21, 2020 regarding to temporary suspension of the places' operational services (2nd issue) from March 22, 2020 to April 12, 2020, NIDA hereby announces the following temporary suspension of the operational services as follows.

1. NIDA is obliged to temporary suspend our operational services residing in Bangkok from March 22, 2020 to April 12, 2020. NIDA President appointed only designated management team and security team to remain on campus.
2. Instructors and staff are obliged to employ work from home methods according to NIDA's announcement on work from home during Coronavirus Disease 2019 (COVID-19) Epidemic outbreaks.
3. In case of any difficulties arise from implementing this announcement; NIDA President has the authority for discretion and his decision shall be made as final.

Announced on March 21, 2020

(Professor Dr. Kamphol Panyagometh)

NIDA President
